Termination of Event

If Site Solutions Summit should be prevented from holding the exhibition for any reason beyond Summit's control such as but not limited to: building damage, fire, riots, strikes, acts of government, terrorist acts, war (declared or undeclared), regulations or advisories issued by the U.S. government or its agencies (or foreign governments or agencies in the case of international attendees), curtailment of transportation facilities or acts of God, then Summit has the right to cancel the exhibition, or any part thereof, with no further liability to the exhibitor other than a credit of the exhibit space fee towards the next corresponding Site Solutions Summit, less a proportionate share of the exposition costs incurred. In addition, exhibitor acknowledges that SCRS, the corresponding hotel or convention center, and Hi-Fidelity Group do not maintain

insurance covering exhibitor's property and that it is the sole responsibility of the exhibitor to obtain such insurance, including, if desired, business interruption and property damage insurance covering losses by the exhibitor. Responsibility for the security of an exhibitor's area, product and property rests solely with the exhibitor.

Liability

The exhibitor assumes entire responsibility and hereby agrees to indemnify, defend, and hold harmless SCRS, the corresponding hotel or convention center, Hi-Fidelity Group and each of their employees and agents harmless against all claims, losses, and damages to persons or property, governmental charges of fines, and attorneys' fees arising out of or caused by exhibitor's installation, removal, maintenance, occupancy, or use of the exhibit booth and presence on the exhibition premises, excluding any such liability caused by the sole negligence of SCRS, the corresponding hotel or convention center, Hi-Fidelity Group or its employees and agents. Exhibitor's certificate of insurance shall be provided upon request.

General Exhibitor Conduct

Booths must be set-up and ready for inspection and surrounding aisles clear of exhibitor's equipment and debris at least one (1) hour prior to opening. In the event that no representative of an exhibiting organization has claimed its space by one hour prior to opening, Summit has the authority to allow the hotel to move the exhibit materials to a storage location at the exhibitor's expense. The exhibitor agrees to pay for the assembly charge in said event, and will be invoiced accordingly. Exhibitors agree to keep their exhibits properly staffed and intact during the published exhibition hours. Early dismantling is strictly prohibited. Penalties will be imposed on any organization that does not abide by this policy and may affect the violator's right to exhibit at future Summit events. Layout must not obstruct aisles or other exhibits: Exhibits may not project beyond the space allotted and aisles must be kept clear. Exhibits shall not obstruct the view or interfere with traffic to other exhibits.

Exhibitor Restrictions

Recruitment: Recruitment of attendees is prohibited. Exhibitors agree to send business development, marketing, or operations personnel. Activity pertaining to new employee acquisition is prohibited.

Exhibitor Materials

Exhibitors may distribute material in the Exhibit Hall. Materials left in public areas will be removed. Advertising materials may not be displayed in hotel hallways or reception areas.

Badges

Exhibitors must wear conference badges for identification.

Appearance and operation of exhibits

No exhibit may interfere with the line of sight to any neighboring exhibit. Summit has the right to mask, move, or disassemble any exhibit that chooses not to comply with IAEE standards at the expense of said exhibitor.

Hosted Events

Exhibitors may not schedule private functions or events which conflict with officially scheduled Summit events. Summit reserves the right to prohibit or restrict exhibits that because of noise, method of operation, materials, or any other reason become objectionable, and also to evict any exhibitor whose conduct, in the opinion of Summit, may detract from the general character of the exhibition. In the event of such restriction or eviction, Summit is not liable to refund to the exhibitor any of the exhibit expenses. No exhibitor is allowed to assign, sublet, or apportion, for money or otherwise, the whole or part of space allotted him or her unless permission is granted in writing by Summit.

Vacancy Policy

No exhibitor is permitted to vacate their exhibit space before scheduled tear-down time without written permission from Summit conference management. Any exhibitor who ignores this term agrees to pay a fine not greater than 25% of their total booth cost. Should an exhibitor be required to vacate before the tear-down time due to unforeseen circumstances, they are encouraged to work with Summit conference management to find alternate means for vacating their booth.

Film, Sound Devices, and Lighting

If moving pictures, loudspeakers or sound devices are used, the exhibitor agrees to comply with hotel requirements for the operation of the equipment. Any filming in or around exhibitor space will require proper release forms between the film subjects and the exhibitor. Sound equipment will be permitted only if tuned to conversational level and is not objectionable to neighboring exhibitors. Exhibitor shall be liable for all music licensing fees for any music played by the exhibitor. Exhibition area-wide broadcasts are not permitted. Summit reserves the right to restrict the use of glaring lights or objectionable lighting effects.

Fireproofing

The exhibitors must strictly comply with all local fire and safety regulations. All decorations and booth equipment must be fire proofed and electrical wiring must meet the safety requirements of the hotel. Affidavits attesting to flameproof compliance with fire department regulations must be submitted when requested. No combustible material may be stored in or around exhibit booths. All exhibits must meet OSHA requirements pertaining to the safe use of tools, materials, and equipment.

Floor Plan

All dimensions and locations shown on the official floor plan are believed, but not warranted, to be accurate. Summit reserves the right to make modifications that may be necessary to meet the needs of the exhibitors and the exhibit program. Summit has the absolute right to allocate and assign space among exhibitors and to relocate exhibits after initial assignment if circumstances warrant at its sole discretion.
